

AGM

Annual General Meeting

**You are invited to Roland Michener School Council and Parent Society's AGMs
Tuesday October 3rd, 2023, starting at 6:00PM in the Roland Michener School Library**

WHAT DOES COUNCIL DO?

Provide input and advice to the principal and School Board on how to improve school and student performance; support parental engagement; and serve as a bridge between the parent community and school administration. The Council helps to enhance the curriculum by providing support and funding to programs not funded through the School Board.

WHAT DOES PARENT SOCIETY DO?

The Parent Society is a formal group of parents, incorporated under the Societies Act for the purpose of raising funds for the school. We collaborate with the AGLC and work casinos and the AGLC in turn provides the Society with funds. These funds are used to enhance the school community by providing funding to programs which benefit all students.
