Deadline: **January 31st, 2026**

Show Off! Competition and Exhibition

Alberta University of the Arts is offering Grade 10, 11 and 12 students from across Canada the opportunity to win mega prizes and showcase their artwork in the **2025 ShowOff! Art Competition and Exhibition**.

How to enter: Simple. Submit up to three images of your original artwork, together with a description of what each piece means to you and a brief letter of recommendation from your favourite teacher to SlideRoom before **January 31st, 2026**. If chosen as a finalist, your artwork will be included in the virtual ShowOff! exhibition hosted on our website. The jury will then award prizes to the top finalist.

Prizes: Winners in Grade 12 will receive tuition credit while Grade 10 and 11 students can win technology or art packs filled with your choice of high-quality materials.

Schulich Leader Scholarships

Launched in 2012, this \$100+ million scholarship fund provides up to 100 undergraduate scholarships each year, across top Canadian universities. The most promising students can pursue their dreams and become the next global pioneers in Science, Technology, Engineering and Math (STEM). Successful applicants could receive up to \$120 000 scholarship if pursuing an engineering degree and \$100 000 scholarship if pursuing science, technology, or math degree.

To be eligible, students need to be on track to graduate in the 2025/2026 academic school year; be a Canadian citizen or permanent resident; and plan to enroll in an eligible STEM program at one of the partner universities listed [here](#). Additionally, students must meet the following criteria: academic excellence; evidence of leadership, charisma, and creativity; and be entrepreneurial-minded and intend to pursue a career in either technology, engineering,

entrepreneurship and business enterprise, or applied scientific research. Strong consideration is given for students with financial need.

Robert Thirsk High School is able to nominate 1 student. To be considered, students must submit 1-2 page outline to your guidance counsellor by **Friday, January 16th, 2026** that indicates how you meet the following criteria:

- Academic excellence
- Entrepreneurial leadership in science, technology, engineering, or math
- Outline your top achievements (Academic or other)
- Financial need (if applicable) and extenuating circumstances
- Include universities and faculties that you are applying to

Submit using point form, paragraphs, or any creative way you choose to explain how you meet the criteria.
